

Young Women in Public Affairs

2012 APPLICATION

Zonta International
Advancing the Status of Women Worldwide

Young Women in Public Affairs

A Zonta International Program, Funded by the Zonta International Foundation

General Information

The goal of the Zonta International Young Women in Public Affairs (YWPA) Program is to encourage more young women to participate in public affairs by recognizing a commitment to the volunteer sector, evidence of volunteer leadership achievements and a dedication to the advancement of the status of women.

In order for more women to be represented in key decision making positions worldwide, we must encourage young women to pursue careers, or seek leadership positions in public policy making, government and volunteer organizations and further their education with these aims in view.

Public affairs refer to all aspects of community life where decisions have to be made about issues which relate to and affect those communities in which they work and live.
