## ZONTA CLUB OF SANTA CLARITA VALLEY FOUNDATION

July 19, 2021

Did you know that about half of the filming in Los Angeles County takes place in the Santa Clarita Valley?

We are delighted to share with you a new project to improve educational and career opportunities for women in SCV, presented by the Zonta Club of Santa Clarita Valley Foundation.

Santa Clarita Valley  
**WOMEN IN FILM Celebration & Conference**  
**Get In → Get Ahead**  
*featuring LUNAFEST®*  
October 14 & 16, 2021

This new and fun program includes:

- A rooftop Celebration near the Newhall Laemmle Theater, with refreshments, a champagne bar and an amazing sunset view of the Santa Clarita Valley. Local women leaders in film will be honored for their efforts and success in breaking the glass ceiling in the entertainment industry.
- A screening of the LUNAFEST Film Festival 2021 collection of seven short films at the fabulous new Newhall Laemmle theater, immediately following the Celebration.
- A Saturday morning Conference that will include panel discussions and a keynote speaker to help local women to Get In and Get Ahead in the Industry.

You can join us in this new and exciting program in several ways:

- First, *nominate for recognition* at the Celebration the women you know who have achieved leadership positions in the Industry and related businesses and have contributed to the community, in particular to advance educational and career opportunities for local women in film.
- Second, *attend and support* the Celebration and 2021 LUNAFEST screening - honor local Industry leaders and enjoy the work of award-winning films made specifically for and about women. Sponsorship will support the SCV Zonta Foundation in its work to improve the lives of women and girls, locally and globally. Sponsorship levels are described on the attached sheet.
- Third, *encourage nominees to attend and participate in the Conference*, including panel discussions by leading industry leaders on how local women can "Get In → Get Ahead" in the Industry and related businesses.
- Fourth, *promote and support* the Conference, by encouraging participation throughout the community.

Attached is more information about Zonta's local service and advocacy programs focused on improving the lives of local women and the several levels of involvement available to support these programs. We hope you will participate as generously as possible. For more information, please email [lunafest@scvzonta.org](mailto:lunafest@scvzonta.org) or call us. We welcome the opportunity to discuss this with you and customize a sponsor program for your needs.

Warm regards,
